

European Club Championships 2022

INFORMATION FOR TEAMS

Figs National Technical Centre Riccione – Italy 14/17 September 2022

Welcome message from the ESF President, Thomas Troeddson

Welcome!

On behalf of the European Squash Federation, I would like to Welcome all Clubs to the 33rd European Club Squash Championships 2022 in Riccione.

After two years of pandemic during which in many European countries Squash wasn't allowed to play, it is great to see you all back on court again competing for your club team. It has been a struggle, and many clubs are still not on track.

I would like to thank the Federazione Italiana Giuoco Squash for organising the event at its own Squash Centre in the beautiful city of Riccione on the

Adriatic coast. The Italian Squash Federation has a long experience of organising successful events including the European Team Championships division 1&2. Davide Babini and his team will make sure that it will be a great event, with the help of Marko Podgoršek as Tournament Referee and Marcel Borst as Event Director and responsible for the Tournament Software.

I would also like to take the opportunity to thank the Italian Squash Federation in their efforts to help ESF and the squash community in the process of trying to get Squash to the European Games, one of the few major games that Squash isn't in yet.

21 Teams representing 17 clubs from 13 different countries will take part at this year's Championship. I wish you all a great stay and a great tournament – good luck to all of you!

Thomas Troedsson

President European Squash Federation

Welcome message from the FIGS President, Antonella Granata

On behalf of the Italian Squash Federation, and my own personal, I'm glad to welcome all the athletes, coaches, managers and accompanying persons of the Teams taking part in the 2022 edition of the European Club Championships.

We are pleased that the competition, after the one held in 2013, returns to be held in our National Technical Center in Riccione, but, especially, that, after two years of postponements, due to the health emergency, it will also return to the normal international competitive schedule.

A special thank goes to the Officials, the Referees and all the Staff; I'm sure that everyone, thanks to their appreciated skills and commitment, will contribute to the success of the event.

We wish all the 21 Teams the best satisfactions, but also an enjoyable and pleasant stay in Riccione and the Romagna Riviera.

Viva lo Squash!!!

Antonella Granata

President

Italian Squash Federation

Welcome message from the Mayor of Riccione, Daniela Angelini

Welcome to Riccione!

I'm very proud that our town has been chosen for the second time to host this important competition of squash dedicated to both male and female winning teams of their respective national championships, a true "Champions League" of European squash.

As a citizen I've seen the constant growth of squash in Riccione. Today, as a mayor, I see an organization that welcomes an ever-increasing number of squash lovers to Riccione: the most important events take place here and attract athletes from all over Europe.

We are proud to host in Riccione the headquarters of the Italian Squash Federation, a real flagship and one of the most advanced squash facility with the largest number of courts.

Riccione, which will be for a week the city of squash, wishes all the athletes to have fun!

Daniela Angelini
